城市瞬間

6C 陳峻灝

在暑假中天天在上班，在繁忙的都市中，時間似乎總是不夠用，每天的生活像是一場馬拉松，早出晚歸，匆匆忙忙地穿梭於工作與生活之間。然而，有時，靜下心來，感受早上起床的日出，柔和光線讓一切都顯得更加生動。街道上全是匆匆而過的路人，每個人都像是生活的旅者，背負著各自的包袱，他們或許回想起昔日簡單的快樂，又或是想起一段與朋友的交談，這都是心靈的滋養。這些瞬間讓我明白，人生的意義不在於追求什麼，放慢腳步，才能更清晰地看見生活的真諦。

中秋節

4A 蔡芷青

隨著時間的推移，生活的節奏越來越快，身邊的人也漸漸離散。如今中秋節，常常只能通過電話或視像通話與遠方的親人分享這份團圓的情緒。儘管我們身處不同的城市，甚至不同的國家，但那份對家的思念始終縈繞心頭。每當我看到高懸的明月，便會不由自主地想起從前和親戚、朋友共同渡過的中秋節。

中秋的月亮是圓的，象徵著團圓與和睦。然而，在這份圓滿的背後，也常伴隨著一絲淡淡的憂傷。對那些身在異鄉的人來說，中秋不僅是團圓的節日，更是思鄉的時候。遙望明月，心中總有千言萬語，難以盡訴。

在這樣的時刻，我常常會想起「舉頭望明月，低頭思故鄉」的詩句。明亮的月光彷彿在提醒我們，無論身處何方，心中的牽掛與思念永遠不會改變。

今年的中秋，我依舊會在窗前仰望那輪明月，心中默默祝福遠方的親戚，希望他們平安快樂。

You are a teacher at CWSF and plan to retire next year. The principal has asked you to write a feature article about yourself for the next edition of the school magazine. Use the following three headings to write the article. Add one heading of your own.

The best part of my job

As a teacher, my duty is to educate my students, inculcating them with upright morals, equipped them with solid knowledge. Approaching retirement, I find myself reflecting on the rewarding moments of my career. Without a doubt, the best part of my job must be the relationships I have built with my dearest students. Being able to witness their growth has been fulfilling. I will never forget the joy on their faces when they learn something new, the pride in their smirks when they receive medals in competitions, and the excitement in their open mouths when they successfully cook a delicious dish. These precious moments have reinforced my passion for teaching and have brought me immense joy and satisfaction.

The biggest challenge I have ever faced in my job

Every career has its challenges to be surmounted, and for me, the biggest one knocked on my door during the transition to online teaching. When the epidemic struck, it was daunting as we were all thrust into an online learning environment. I had to adapt my teaching methods such as asking more questions to ensure my students received high-quality lessons while students faced their own issues – distractions, feelings of isolation and poor internet connection. Nonetheless, this unique experience taught me resilience and creativity, including how to innovate my lesson plans and provide support for my students flexibly. It strengthened our bond as we navigated through the dark ocean of uncertainties.

My school days

Back then, I was a rebellious student. I always fought with my schoolmates and dozed off during all lessons. Everything changed when my high school teacher entered my life. He encouraged me to ask questions and patiently tutored me even outside of class. I was deeply inspired by him and he ignited my passion for becoming a teacher.

The legacy of lifelong learning

As I prepare to retire, I hope to leave behind a legacy of lifelong learning. I encourage my students to ask questions, seek knowledge and embrace challenges. While I am stepping away from the campus, I look forward to seeing how CWSF students thrive with this spirit, never giving up learning, and always discovering their purpose.

最後的時光

6C 楊佩雯

或許某個夏天，吵吵鬧鬧的少年們踩着狹長的陽光路入這間教室，他們在這裏分別，新的腳步又會踏上他們曾走過的路。夏日的午後，微風輕拂，我們的相連彷彿還在眼前浮現。一條蜿蜒的小路，連向未來，一條已經走過了屬於自己的路，也希望將來的你們，找到屬於自己的方向。蟬鳴依舊，風起葉落，時光仍在悄然流逝。

烏克麗麗

6D 譚若稀

音樂是治療人心的魔法。小學六年級時很沉迷聽夏威夷的歌曲，在這些歌曲中常常出現一種樂器，經過一番搜尋後，終於知道這種樂器的名字——烏克麗麗，它是夏威夷獨特的樂器。了解這樂器主要的功能，特色後，便立即向媽媽表達想學這種樂器，很快便上了課，但因為只是二分鐘樂度，對這樂器了解不深，學了八個月後終於向媽媽提出放棄了。媽媽見我即將成為中一學生，沒有多餘時間便任由我決定，但其實我只不過是新鮮感過，懶惰不想花時間學習和練習，最後我沒有去上課了。

數月後，有一次回鄉探親，外婆得知我學了新樂器，便邀請我高奏一曲，但我沒有帶樂器來為她拒絕了外婆。其實真正的要學一部烏克麗麗有多難？不過是想想和不想罷了。手中的電話也有平日練習錄下來的影片，但因為半途而廢的原因，我不能完全熟練地彈奏出一首歌曲。我為此覺得丟臉，亦不想獻醜才拒絕彈奏。於是我在心中暗暗發誓，回家後一定要找出烏克麗麗，加以練習，再重新報讀課程，下次和外婆相見時就彈給她聽。

當我彈得愈來愈好，期待回鄉時，五月某一天，媽媽突然收到外婆失蹤的消息，在晚上找到外婆了，外婆在車禍中身亡了。我震驚，明明上星期天還視像通話叮嚀我好好吃飯、好好休息，我還答應下次回鄉帶上烏克麗麗彈奏給她聽，而她卻很突然就離開了。

當此刻，我很後悔，未能在上一次見面時為她親手彈奏一曲，因為我沒有毅力學下去，輕言放棄，第一次學時不但浪費金錢，更浪費家人對我的期待，令他們失望。可惜，當我重新再學習，想彈奏給她聽時人已離去，成為終生的遺憾。因此，我在心中再次發誓，從今以後，我不會再輕易放棄。

My Love for English

2C Tang Hang Yee, Tiffany Teacher: CKS

What is your favorite subject? I like English very much. Many people think learning English is boring, but I believe they are missing something. From my experience, learning English is fun and important to me.

Nowadays, social media provides a lot of different resources. Who doesn't like social media? From pictures, memes, texts, songs, to animations and videos, learning English is no longer boring. We can always expand our vocabulary and practice listening while surfing the net. Learning becomes natural and interesting just by browsing the internet.

Don't forget about our school library. There are many resources and books you can read, including fiction, biographies, magazines, and newspapers. There is always something for you. I love reading biographies because I can learn from others.

Developing my English competence helps me explore the world in the future. That is my dream. When we visit different countries, speaking English is definitely necessary.

Streaming Services in the Film Industry

In recent years the emergence of streaming services has transformed the way people consume entertainment. The rise of streaming services has sparked a debate about the future of cinemas. In the era of technology, we are blessed with a kaleidoscope of streaming platforms, like Netflix, Disney Plus and Apple TV.

Compared to traditional cinemas, streaming services have many benefits. One significant advantage of it is the various types of programmes. Unlike cinemas, which only provide short-term and limited choices of films, streaming services offer thousands of movies and TV shows for audiences to watch. In addition, the monthly fee of Netflix is cheaper than one movie ticket. In terms of convenience, with streaming services, you can watch movies anywhere on your phone or laptop.

However, the decline of cinemas will cause some issues for the film industry. With the development of streaming services, cinemas will be impacted seriously. More and more people prefer to stay at home watching online films than going to cinemas. This will cause a decline in the box office. As a result, filmmakers and exhibitors cannot earn enough money, and the film industry may be endangered.

As far as I consider, only if cinemas create some unique functions can they survive. Cinemas can improve their new technology such as immersive audio systems, motion seating and panoramic formats, which bring more different feels to the audiences.

Despite the advent of streaming services, traditional cinemas cannot be replaced in a short time. Cinemas not only bring us an immersive theatrical experience but also support the box office and play an important role in the film industry.

Despicable Me (2010)

Rating: ★★★★★
Reviewed by: Elinor Xu
Suitable for: all ages

Despicable Me is a very famous animated comedy directed by Pierre Coffin. In this film, the story is centred around Gru and his friends. It is about how Gru becomes the most famous villain and steals the moon.

While he is achieving his goal, he meets three lovely girls, who live in the orphanage, called Agnes, Edith and Mango. Gru adopts them for his plan, but he doesn't like them. Does Gru really steal the moon? How would he and the kids live together?

I love this film because the characters are cute and the story made me laugh. It is very interesting! Also, I love the Minions who are the mascots of the film. Minions are very famous in that everyone knows them even if they have never watched the film before. I love the music too. The name of the theme song is the same as the film, called Despicable Me.

In the end, I would recommend this film to my friends who love comedy and animation. I believe that you will enjoy this hilarious and heart-warming film. Although Despicable Me is not the latest film, I still think it is better than a lot of animations I watched before.

The Impact of Online Movie Streaming Services on Traditional Movie Theaters

The rapid rise of online movie streaming services has changed the way audiences consume films, posing significant challenges to traditional cinemas. These platforms offer unparalleled convenience, allowing viewers to watch movies from the comfort of their homes at their own pace.

With the rise of online streaming services, some consumers prefer to watch movies at home rather than going to cinemas, due to the convenience of streaming platforms and other factors. This shift has led to a decline in cinema attendance, further increasing the operational pressure on theaters. Some cinemas may even face the risk of closure as a result.

In conclusion, although streaming services pose a threat to traditional cinemas and bring numerous challenges, I believe that if traditional cinemas can implement necessary changes and innovations, they can remain competitive in the future. While watching movies at home offers convenience, the atmosphere and social experience provided by cinemas are irreplaceable. It is hoped that both viewing options can coexist in the future, each showcasing their unique charm, allowing audiences to enjoy the joy of films in different environments.

INSIDE OUT 2 (2024)

An American animation about growing up.
Rating: ★★★★★
Suitable for: all ages

The director of *Inside Out 2* is Kelsey Mann. The voice actors are Amy Poehler, Maya Hawke, Kensington Tallman, Lisa LaOira, Tony Hale, Lewis Black and Phyllis Smith.

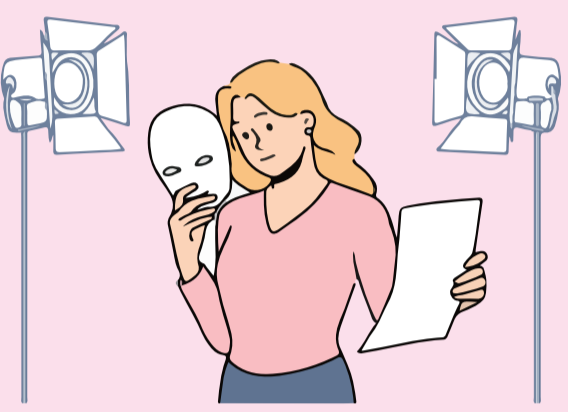

In the movie 'Inside Out,' the main character is Riley. Riley moves to a new place and starts high school. Her feelings like Joy, Sadness, and others control how she acts. When Riley faces challenges at a hockey camp, her emotions get mixed up. She feels unsure and anxious. But with the help from Joy and Sadness, she learns that it's okay to feel different emotions. By accepting both good and bad feelings, Riley finds balance and makes friends.

I think it's normal to have ups and downs and how important it is to understand and accept all our feelings.

I would recommend this film to my friends because I think the plot is very interesting and the characters are very cute.

As a renowned actress in Hong Kong, the best part of my job is the chance to do what I love every day. Acting allows me to embody diverse characters, each with unique stories and emotions. The thrill of performing, whether on stage or in front of the camera, is incredibly rewarding. I cherish the connections I make with fans who appreciate my work, reminding me of the impact storytelling can have on people's lives. Each role challenges me to grow creatively and inspires me to continue pursuing my passion, despite the tough moments.

One of the biggest challenges I faced was overcoming my insecurities during auditions. In the beginning, I didn't have an agent and struggled to get many chances. I often felt nervous and insecure, especially when facing directors who can be very hard on actors. I faced numerous rejections which made it difficult to build my self-confidence. However, with time, I learned to embrace my vulnerability. Each audition became a stepping stone, which helps me develop resilience and optimism.

A standout moment in my career was winning Actor of the Year Award at the Asian Film Awards. Standing on the stage, surrounded by talents peers, I felt an overwhelming sense of gratitude and relief. This recognition validated my hard work and dedication. It reminded me why I pursued this path: to inspire others through the art of film, despite the pressures and challenges that come with being in the spotlight.

Hello! My name is Ariana and I'm 12 years old. I am tall and I have straight hair. I am easy-going because I get along with people easily. There are three members in my family. They are my mom, my older brother and me. Our family lives in Tuen Mun.

I like drawing and singing. I am a member of the choir. I am a friendly and talkative person. I usually talk to many people and I always have a smile on my face.

My other hobby is listening to music. When I'm bored, I often play music on my phone with my friends. My friend and I are energetic and chill, so listening to music is a good hobby for us. Our favourite place to listen to music is when we walk down the streets. It is very calming.

My favourite subject is English, because it is really easy. My English teacher is Miss Kam. She is pretty. My goal this year is to come top of the class in the English exam, because I'm competitive. I will work hard on my exam preparation.

Why Cinema is Better Than Streaming

Streaming Cannot Kill Movie

The first cinema appeared in the 19th century as a scientific experiment. However, it has become one of the major sources of mass entertainment. In recent years, many people have preferred watching movies on the internet. Is streaming going to kill cinema?

To begin with, cinema offers a better audio and visual experience than streaming. Most people stream movies on their smartphones and tablets. While the screens of such devices are becoming larger, they can never replace the large projection screens and powerful sound systems of cinemas. Therefore, for those seeking an immersive experience, cinema is still here to stay.

Moreover, going to the cinema is a great social activity. Friends and family focus on the same screen at the same time, creating a unique opportunity for moviegoers to discuss the film afterwards. For those who enjoy exchanging ideas with their peers, cinema provides a platform for conversation and learning.

In a nutshell, while streaming is very convenient, cinema is here to stay for many reasons. When time allows, consider visiting a cinema for the latest movie and a wonderful experience!

27th September, 2024
I just finished our 3-day camp with my new classmates. After a bunch of team-building activities, I am so tired.

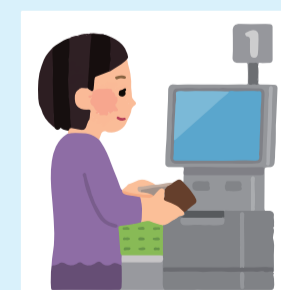

On the first day, we played games to build our teamwork. Basically, the rule was simple: to win, everyone had to work together. In the end, we made it. I started to get to know my classmates better.

The second day, the game was harder. There were two thin sticks. Our team had to line up and stand on the sticks, which had ropes attached to them. Our task was to move together towards our goal. As we moved, we shouted "Left-Right-Left-Right" to help us coordinate. We were so excited to be doing something together. The atmosphere was great. Additionally, the best part came after our team-building session - SNACKS and DRINKS! The coaches let us buy snacks at the snack stall.

In the evening, there was more. The coaches played pop music and let us dance. Really? Yeah! Then, they slowly transitioned to sentimental songs and asked us to reflect on our lives. Finally, we were asked to write a letter to our parents. Most of us were touched and wrote a letter.

On the third day, I felt exhausted as soon as I woke up, but it was time for the water fight. We all got wet. Crazy!

Do you prefer self-checkout or paying at the cashier?

6A Lee Hoi Ching
Teacher: WCY

I prefer self-checkout than paying at the cashier. There are some reasons. Firstly, I am an introvert person. I will feel nervous when I talk with others whom I don't know. Self-checkout can let me feel more relaxed and comfortable as I only need to control the kiosk machine.

Moreover, in this day and age, people usually use electronic payment apps like Alipay, WeChat Pay, Octopus and so on. It is convenient to use self-checkout machine for the majority of people thanks to these payment methods. People only need to scan the products and the payment QR codes. Then, the payment is completed. In this way, people can save lots of time. Furthermore, self-checkout is really fast. It is because we don't need to queue up to wait for the cashiers. There are usually some elders to line up at the queue. For the people who are impatient, it is a time-wasting thing.

These are the reasons why I prefer self-checkout than paying at the cashier.

How to maintain a healthy lifestyle?

Many secondary school students don't know how to maintain a healthy lifestyle. This causes things like stress or an unhealthy body.

Some students often skip breakfast because they are worried about being late for school. I suggest they wake up early so that they can have breakfast.

Another example is that some students stay up late studying and using their phones, causing them a lack of sleep. I suggest that they sleep and wake up early so they can have a regular sleeping habit.

The last one is that most students feel stressed and overwhelmed with schoolwork, so they don't take breaks to accomplish their tasks. I suggest that students should take a break when they feel tired. Your mental health matters more than the schoolwork.

Remember to have a healthy lifestyle!

新學年有感

4 A 羅靜芳

光陰似箭，日月如梭。轉眼間，我來香港讀書竟要快滿一年了。可我覺得我剛來不久。中四開學後的時光亦是如此。

對於暑假，我一直都視其為珍貴，而開學就如強盜般將暑假奪去。中四第一天我拖着不情願的身體進入校園。熟悉的建築讓我的回憶湧上眼前。我不禁想到，相比於中三，中四的生活又會是怎麼樣呢？

滿心好奇的我在不知不覺中渡過了三個星期的中四生活。好奇的心已蕩然無存，取而代之的是緊張。面對更深層次的知識以及更多的活動，我絲毫不敢懈怠，如臨大敵一般與未知鬥爭。

如果說中三是羽翼未全的雛鳥，那麼中四便是展翅高飛的大鵬。我們一直都在成長，我們也要學會成長。到了中四階段，我必須豐富自己，以三年後的「科舉」為目標。在三周時間裏我學到了很多，不僅是端正了心態，甚至是在立下更高的目標，我開始積極參加各類活動，懂得權衡利弊，也掌握了控制時間的辦法。

望向窗外，藍天白雲是那樣的歲月靜好，每當疲憊時這樣的美景是我貪戀，幻想着自己如同鳥兒般自由飛翔。對於倍增的壓力，我便視它為伙伴，適時地散心，放鬆令我們關係更加融洽，同時也讓我「事半功倍」。

「不怕路遠，就怕志短；不怕對手悍，就怕自己顛。」苦難是花開的伏筆。珍惜時間，腳踏實地是我最大的感言。

時間

6 B 盧海琳

人的壽命不算長，也不短。

隨着時間分秒流逝，我們漸漸長大成人，而陪伴我們成長的人，亦隨之慢慢淡出我們的人生舞台。終有一天，時間也會把我們的黑髮沖洗成白髮，然後我們慢慢老去，回歸自然，被世人所遺忘，我們會為此感到難過嗎？

如果時間可以暫停，我希望獨自走過世界每一個角落，在每一個地方留下腳印，見證一下廣闊無垠的世界。我希望能再次感受微風的吹拂，感受太陽的溫度，傾聽海浪的聲音，觀摩這大千世界的風景，享受大自然帶給我們的自由和快樂。然而，時間不可以停下來，就如這運作不息的萬千世界。

時間帶走了許多東西，也為我們帶來很多東西。時間帶走了我們的傷痛，撫平了我們的傷痕。時間讓我門看到新生命的茁壯成長，亦讓我們見證所愛的人逐漸老去，令我明白白雲的真諦。時間是很神奇的，在我們開心的時候，時間溜走得很快，傷心的時候，時間卻過得很慢，難道時間這位智者想教我們珍惜短暫而快樂的光陰？

我想快點長大，卻又想時間過得慢一些，時間為我們帶來很多東西，卻又讓我們忘記許多人與事，我們該怎樣面對時間呢？

觀風

4 C 黃志豪

在優雅清靜的一個晚上，我獨自一人站在山上，看着繁華城市的景色，聯想到夜色街道的盞盞街燈，和每棟建築物發出的燈光，形成城市熱鬧的氣氛。高山山頂上，我還能感受到空氣中傳來一陣陣微風，傳來的風強勁，感覺非常爽快，也沒有止息的意思。在高山一邊望着繁華都市的景色，一邊貪婪地在大自然中索取風帶來的快感，帶給我不一樣的心靈體驗，一絲絲舒適感也向我襲來。

傍晚的時分，太陽日落的時刻，我重回到上次爬山頂的地方，再看風景與日落。找了一塊大石頭坐上面，眼前的景色就像一幅名畫，非常壯觀，微風輕拂山上的樹，沙沙作響。使我更喜歡在清幽的山上看風景、聽風聲、感涼風，能夠遠離繁華鬧市，是多麼的珍貴。

舊飯桌

4 C 林樺

在這繁華喧囂的都市一隅，我家的小屋宛如一個寧靜的港口。屋內陳列着各式各樣的家具，但最引人注目的，還是那張經歷了歲月洗禮的舊飯桌。它雖陳舊，卻承載着我幾代人的回憶與情感。每次看到它，都彷彿能夠穿越時光的隧道，回到過去的時光。

舊飯桌的材質是普通的木材，經過歲月的打磨，表面已經變得光滑而滄桑，桌腿微微有些歪曲，這是歲月留下的痕跡，也是它歷經風雨的證明。桌面上一道道劃痕和凹坑，記錄着我們一家人曾經的歡聲笑語，也見證了我們生活的酸甜苦辣。

小時候，舊飯桌是我們全家人的聚會場所，每逢佳節，一家人圍坐在桌旁桌上擺滿了母親精心準備的菜餚，香氣四溢，溫暖而親切。我們一邊享受着美食，一邊聊着家常，那時的舊飯桌，是我們心中最溫暖的角落。

隨着年齡的增加，我們開始各自忙碌於自己的生活，回家的次數也越來越少，但每次回家，看到那張舊飯桌，心中總會湧起一股莫名的感動。它彷彿告訴我們，無論走得有多遠，家永遠是最溫暖的港灣，而舊飯桌則是家中最珍貴的記憶。

如今，舊飯桌已經成為我們家裏的傳家寶，雖然它已經不再年輕，但在我們心中它永遠是最美的風景，每當我們圍坐在舊飯桌旁，都會不由自主地回想起過去的時光，那些美好的回憶彷彿就在眼前，讓我們感到無比的幸福和滿足。

舊飯桌，雖然只是家中一件普通的家具，但其所承載的意義卻非凡，它見證了我們一家的成長和變化，也靜悄悄地記錄了我們生活中的點滴。

在時光的洪流中，有些物件雖不起眼，卻能凝聚歲月的厚重，承載着一代人的記憶和情感，我家的舊飯桌便是如此。它默默地守護在廚房的一角，見證了我們一家的歡笑與淚水，舊飯桌在回憶的時光長河，它承載着無數的回憶和愛，飯桌的痕跡每一個印記，是我們一家共同生活的痕跡。

回鄉

6 B 祝家瑜

一個多月的暑假轉瞬即逝，數數外遊的日子加起來也不過一周，不過卻得到了一些感悟。

看看鏡中曬黑了的自己，又陷入了回憶之中。

八月中，我獨自回到鄉下，這是我第一次這麼直觀的感受到城市與縣城的區別，大城市隨處可見的高樓大廈，到了這裏只剩下零散幾棟，低矮的居民樓外牆剝落，露出裏面灰白的水泥牆。街道周圍除了幾家售賣手工業建材的店還開着，其他舖子都拉下閘門，鐵閘上佈滿鏽跡。看着這場景，也能猜出這區有些年頭，就連人流也是零零散散的，不如大城市那人來人往。我的第一反應自然是有點嫌棄，但想着不能白跑一趟，還是硬着頭皮走了下去。

公共車隨着那發動機的低鳴，一起到來，提醒我趕緊上車。車廂內沒有自動售票器的身影，卻多出了一個售票員，我心中暗道這地方也未免太過落後，嫌棄的神情也逐漸在臉上浮現。隨着售票員的靠近，把我從思緒中拉回。「你不是本地人吧？在哪裏下車呀？」我告知售票員站點後，便遞上了硬幣。售票員又從一疊厚厚的票中撕下一張，放在我手上。我是頭一回見到這玩意，拿在手上端詳了許久，直到車子到站也沒察覺。令我意外的是，售票員竟走過來輕聲提醒我下車，讓我從好奇的思緒中拉回，最後留下一句「謝謝」，便匆匆下車。我不禁想到，要是在發達的城市，我定會坐過站，因為車上沒有人會提醒自己。這輛帶點人情味的公共車，令我為此添上了幾分好感。

我走到鄉下家的附近，卻怎麼也找不到那條巷子。看着一條條狹窄又佈滿雜物的小泥路，我眼花撩亂，頓時陷入無助與迷茫中。「小妹妹！你在找甚麼？是不是迷路了？」一道粗獷的聲音傳來。轉頭看去，原來是一位中年大叔，他看見我流露出警惕的神色，急忙補充到，「我是這裏的住戶，看你面生，應該是來找人的吧！如果需要，我可以幫忙帶路。」大叔怕我懷疑，又指了指身後敞開的住宅大門。看着大叔着急，又想幫忙的模樣，我心中升起一股暖意，隨後在大叔的帶領下，我找到了家門。

經過幾天的生活，先前的嫌棄早已消失殆盡，這裏雖不如大城市那般繁華方便，卻有着最難能可貴的人情味，這才稱得上舒服愜意的生活。
